

17th January 2024

Dear parent/carer,

We hope you are keeping well.

Adult Commissioners for Learning Disabilities and Autism are getting in touch with you to ask if you would be able to fill out a short survey.

This survey has been created to understand the needs and wants of people who have low to moderate support needs who attend a day service.

Commissioners are collating information from people who have lived experience, which includes people attending services, parents/carers, and professionals who work in support, care, or education settings.

There is more information about the survey, and its purpose on the link.

The survey will close end of day, **Friday 16th February 2024**.

We thank you in advance for your support and help.

Best wishes,

Adult Learning Disabilities and Autism Commissioners
