Opening Doors

Opening doors have been working with students from East Coast College.

They have made the Out and About newsletter which includes things to do in Great Yarmouth and Gorleston

All of these activities have been checked by the students and they have funding to make 3 more.

**You can download the booklet here:
www.openingdoors.org.uk/uploads/images/815.pdf**

(8)

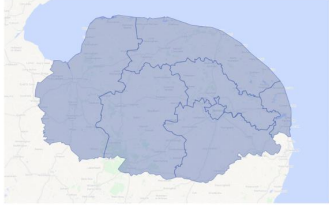

Members of opening doors also wanted to discuss the minimum income guarantee.

As information wasn't send out beforehand, we weren't able to discuss this, as it would have been unfair on the self-advocates who have know prior knowledge.

Next locality group: A task for you (9)

Before the next Locality Group, we would like you to

Find out **1 activity** in your local community that you did not know about us

Tell us about it if you would like to. You can just speak or do a presentation.
