

# Norfolk Learning Disability Partnership: South Locality

ASD Helping Hands, Breckland Business Centre, St Withburga Lane, Dereham, NR19 1FD

# The South Locality Group had 2 main topics (1)

We had planned to talk to the Locality group about these two topics:

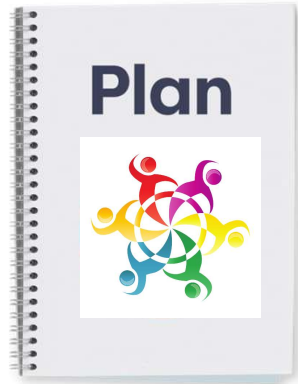

Introduction to the Norfolk Learning Disability Plan and delivery Plan

Look through the Norfolk Local offer and what is available

**As the group had no self-advocate representation. We looked at other topics**

**Information about moving on**

**Safe Spaces**

**Day Services**

# Discussions (1)

**Question** - Parents said are people not turning up to Day Services because of individual concerns or is it providers?

**Answer:** Rachel Gates to speak to managers about this

## Discussions (2)

Day Services members of the South Locality use

Norman Centre, Norwich

## Discussions (3)

A safe place offers help if someone is anxious, scared or at risk while they are out and about and need support

Safe Places Apps are free and show all the Safe Place in districts that have decided to make the apps available.

They are free to use by anyone with a smart phone and available to download from both the App Store and Google play

## Discussions (4)

After the meeting. Research was made on the Safe Places website and the app. There are no Safe Places in Norwich, Cromer, Kings Lynn, Dereham or Great Yarmouth.

We will talk about this at the next Norfolk Learning Disability Partnership Board meeting, to see who is leading this project in Norfolk.

## Discussions (5)

A concern was made about what will happen when a parent/carer can no longer look after someone. Lack of information on moving on.

This is a **priority** in the Norfolk Learning Disability Plan.

We will discuss this at the Norfolk Learning Disability Partnership Board Meeting and if needed, we will bring this to a Locality Group.

# Date of Next Meeting

ASD Helping Hands, Breckland Business Centre, St Withburga Lane, Dereham, NR19 1FD
